**START OF SCHOOL:** School starts Wednesday, August 22. We caution everyone to **drive carefully and watch for children**. Remember that during school hours Center Street will be back down to **25 mph**.

**WATER QUALITY REPORT:** Sugar City has the 2018 Water Quality Report. It is available at City Hall to review.

**\*\*SEWER SYSTEM BACKUPS:** Due to recent sewage system problems, we would like to remind everyone to please not flush items down the toilet that may cause potential blockages. Feminine products cause blockages in the system so please refrain from flushing these items along with other items large enough to cause problems. Thank you!\*\*

**\*\*CITY DUMPSTER:** The city is charged an additional amount if household waste is placed in the dumpster. Please **DO NOT** use the dumpster for household waste so that we may continue to have this privilege in our city.\*\*

**NO DUMPING OF YARD WASTE OR ITEMS IN CITY:** Dumping at the end of streets or in alleys is not allowed other than the designated times for city clean up in May and October. Refer to **CITY CODE 3-1-8**.

**BURNING WITHIN THE CITY:** City Code does not address burning waste. County guidelines must be followed. [FDMadison.org](http://FDMadison.org).

## MAYOR'S MONTHLY MESSAGE

July 27, 2018

Dear Friends,

As you have noticed we have a new logo for Sugar City. I would like to thank Delorum for helping us through the process, and for many of you who expressed your opinions about our city and how the logo should look. The Mayor and City Council are happy to present you with the final result of that work. You can look at the presentation provided by Delorum that will be coming out in the monthly electronic billing, or if not there, it will be posted to the website. This presentation will show the process used in coming up with the logo. Thank you for your help in making this happen.

We had good success with our Sugar Days Celebration held on Saturday, July 21<sup>st</sup>. The breakfast was attended by about 700 people. This is more than anyone can remember having in the past. I would like to thank Stone's Town and Country for sponsoring the breakfast. I would also like to thank Vaun Waddell for all the work he put into getting us the food and making sure it went smoothly.

The Mayor and some of the City Council went up in a fire engine and participated in the Pioneer Day Parade in St. Anthony that same morning. We then provided activities for the remainder of the day. It seemed to me that the climbing wall and the bull riding activity were the most popular, but fun was had by all who attended.

There were also some vendors at the celebration, and they seemed to have done well. I would also like to thank those companies and individuals who provided funds as sponsors for the day's activities, including River Country radio station. A list of those sponsors is in the City Newsletter. We learned a great deal during the planning of this and hope to have an even better and bigger celebration next year. Thanks again for your support.

Sincerely,

David D. Ogden, Mayor
